4moms® mamaRoo sleep™

mamaRoo sleep birch
Artno: 4M2000929

The 4moms mamaRoo sleep bassinet uses the same proven motions of the 4moms mamaRoo infant seat to help your baby fall asleep and stay asleep longer. Soothe and comfort baby in the 4moms mamaRoo sleep bassinet with its natural bounce and sway motions that move just like parents do.

It features 5 unique motions (car ride, wave, kangaroo, tree swing and rock-a-bye) and 5 speed options to find the perfect combination baby loves. You can also play one of the 4 white noise options (rain, ocean, fan and shh). Easily control all features via the 4moms app on a compatible smart device. The 4moms app also features a timer that can be used to help establish a bedtime routine and improve sleep.

Replicates the natural bounce and sway motions of parents.

The only infant seat that replicates natural motions of parents.

Parents don't vibrate like bouncy seats or swing like baby swings. We believe that infant seats would be better if they replicated the natural motions parents use to comfort their babies.

The 4moms mamaRoo infant seat bounces up and down and sways from side to side, just like parents do when comforting their babies. It features five unique motions and five speed options for a total of 25 different combinations.

it moves like you do™

Soothe your baby with one of the four built-in sounds, or connect any MP3 device. The mamaRoo4 baby swing offers full recline to allow baby to lie back and relax or sit up and play.
